

Paramount offers access qualified, experienced and certificated mobile engineers. Our expert engineering team maintain, repair, service and fully certificate all power access equipment plus construction machinery including mini cranes and forklifts.

We specialise in narrow access therefore our engineers have an in-depth knowledge and understanding of Spider lifts in particular.

Paramount engineers can complement your routine maintenance and ensure the safety and timely regulation compliance of your equipment, providing emergency cover as required supported by our extensive workshop facilities.

At Paramount Platforms we offer a range of service and maintenance contracts to help keep your powered access machines at work ensuring minimal downtime. Our dedicated friendly team aim to provide a quick response as and when required to all over the UK.

Paramount can offer:

- Servicing - regular 6 month inspection certificates.
- Repairs & parts for all platform makes & models.
- Breakdown call outs including nights and weekends - nationwide cover.

Tel: 01268 293031

As well as engineering services Paramount offer specialist access platform hire as well as providing new and used machine consultancy and supply.
